---------------	------------	--

Write an Essay ON THIS SHEET on what you read in the following box (you can use notes you have taken in class and discuss points with other members of the class).

In several areas of the world desertification presents a significant threat to the economic and social stability of the population.

1) Can climate change be controlled?

2) What are some recommendations you would offer to prevent desertification from occurring?

3) In those areas where the process has already begun, what suggestions would you make to stabilize or reverse the trend?
